

PARKWISE PETITION FORM

RESIDENTIAL ADD/REMOVE/CHANGE OF PROGRAM

MINIMUM REQUIREMENTS:

The basic guidelines, which must be met in order to qualify for the addition, removal or change of the Parking Restrictions, are as follows:

- At least 75% of the residents or the property owner of each address on the proposed block-face must sign the petition in support of adding, removing, or changing the restriction. **All signatures will be verified.*

IMPORTANT INFORMATION:

The removal or change of the Parking Program is at no cost to the petitioning residents. If within two years the residents want to re-implement the program after complete removal, there will be a fee of **\$600.00 per block-face**. The petitioning residents will be responsible for the program reinstatement fee. Advanced payment must be received prior to reinstating the Parking Program. The cost will cover the fieldwork, manufacturing and installations of signs, along with the office work and supplies utilized. This **does not** cover the cost of parking permits. Each residence is responsible for obtaining their required parking permit.

Parking in the restricted area where signs are posted without a permit could result in a citation being issued; this does not exempt parcels listed on the petition. Non-permit parking will not be available until signs are completely removed from the block. To access other City and State parking laws, please visit the Webster listed: <http://www.amlegal.com/library/>

The parking program will be enforced as currently signed until the new program signs are installed.

We, the property owners of the neighborhood, hereby petition the City of Tucson ParkWise Office to adhere to the following request of Parking Restrictions for the following parcel addresses:

Hundred Block

Street Name

Service Requested:

☐ \$48/yr M-F 8am-5pm ☐ \$60/yr M-Sa 8am-5pm (plus UA Basketball Games) ☐ \$72/yr 24/7

**Each block will need to complete a separate petition form*

ADD ☐ REMOVE ☐ ** CHANGE ☐

We have read and understand the conditions set forth in the attached cover letter and feel that we meet the minimum qualifications to add, remove, or change the Parking Restrictions. Initiators of the Parking Restriction Petition please sign on first line.

PRINT NAME	SIGNATURE	ADDRESS: Tucson, AZ 857 _____	PHONE # (8AM-5PM)
